### Commitment Form- Waitlist

I have received notice that my child \_\_\_\_\_  
was added to the waitlist for the 2023-2024 school year at The Montessori School of Camden during the  
lottery held on April 18, 2023.

#### CHOOSE ONE:

Thank you for the opportunity, but I wish TO HAVE MY CHILD REMOVED FROM THE WAITLIST. I understand  
that this space will be released to another applicant.

I WISH TO KEEP MY CHILD ON THE WAITLIST until an opening becomes available during the 2023-2024  
School Year.

By accepting this placement I agree to the following (Initial ALL):

\_\_\_\_\_ I understand that acceptance of the waitlist does not guarantee enrollment, MSC will notify  
me if an opening becomes available in the program level for which I applied for my child to attend. I will  
be responsible for notifying MSC of any changes in contact information throughout the 2023-2024  
school year.

\_\_\_\_\_ I understand that if my child would likely transition between programs throughout the  
2023-2024 school year, MSC will move my child laterally on the waiting list for the appropriate age  
group that my child ages into overtime. *Please note this only applies to our Infant and Toddler  
applicants that might likely transition to Toddler or 3K respectively throughout the school year when  
developmentally ready.*

\_\_\_\_\_ I understand that if my child is NOT GRANTED a space prior to the opening of the 2024-2025  
school year lottery (approximately January 1, 2024) that I will need to reapply. Applications do not roll  
from year to year.
